

MISSION STATEMENT

We are a professional company providing fire alarm systems, fire protection and fire suppression services. We encourage our team members' growth through personal and professional development to enhance sustained growth of our company. We engage in active partnerships with our clients to provide design-focused solutions with an unyielding approach toward results. While others are content with technical compliance, we are only satisfied with incident-free outcomes.

EMERGENCY LIGHTING SYSTEM

- ▶ Single and double face options
- ▶ Long working life with a LED structure
- ▶ Easily test with a magnet
- ▶ 1 and 3 hour working options
- ▶ Suitable for surface and flush mount
- ▶ Long-life battery

WATER-LEAKAGE ALARM SYSTEM

- ▶ Design for humid environments
- ▶ Conventional and addressable options
- ▶ Optional relay and buzzer output
- ▶ IP24 protection class
- ▶ Wide sensing range with Cable type sensor
- ▶ CE approved

EXPROOF SYSTEMS

- ▶ Wired and wireless system options
- ▶ Atex and LPCB certified products
- ▶ Camera Systems
- ▶ Emergency Announcement Systems
- ▶ Fire alarm systems
- ▶ Gas Alarm Systems

BSM INTEGRATION SYSTEM

- ▶ Single or multi-point control monitoring
- ▶ Programming alarm and fault scenarios
- ▶ Graphical alarm, fault and address information
- ▶ Integration with every brand of camera system
- ▶ Monitoring from smartphones and tablets
- ▶ Compatibility with third party systems

AMC REMOTE MONITORING SYSTEM

- ▶ Compatibility with every brand of fire alarm panel
- ▶ Display building information and route
- ▶ Display location information of alarm and fault
- ▶ Display Location risk information and camera
- ▶ Reporting maintenance Works
- ▶ Monitoring from smartphones, tablets, computers

MANUFACTURING PLANT

Since 2017 we have moved to a new manufacturing plant in Antalya, Turkey to be able to cope with the demand. New facility will provide 50% increase in production capacity for pastes used in fire alarm and suppression system.

The new facility will increase the plant's total production capacity for various products including defender kitchen suppression systems, gas detectors, sounder, exit signs as demand is expected to grow in the fire market and among the distributors.

OUR STAFF

Our technicians and staff are among the finest in the industry. We entrust them with your fire protection needs. Our low employee turnover ensures that your property is in knowledgeable hands.

Finder Yangın Güvenlik Elektronik A.Ş. now count more than 100 employees.
